**WHAT WILL
I DO AS A
VOLUNTEER?**

Volunteers serve as "coaches" for a group of 5-8 students navigating their way through JA BizTown.

During the simulation, students **get to be adults for the day!** They interact within a simulated economy and take on the challenge of running a business.

As a volunteer, you'll **answer questions** about what it's like to have adult responsibilities and **help students make adult decisions.**

No prep work needed! You will receive training at the beginning of the volunteer day to understand the simulation and your role. Volunteer training begins at **8:30 AM.**
